

# 2014 Scholarship

**Amount: \$2,000**

## **Eligibility**

This scholarship is available to undergraduates and graduate degree candidates who are enrolled in an energy related program at an accredited Twin City area college or university. Scholarship funds are to be used for courses directly related to energy engineering, conservation, or energy management within the curriculum leaning to a major or minor in energy engineering.

## **Application Checklist**

The following attachments must be included in your submission to your local AEE Chapter:

1. A personal recommendation from a faculty member of the school that the student is attending that describes the student's academic standing, character and financial need.
2. Current transcript.
3. 50-150 Word Statement explaining your interest in studying energy engineering, conservation or energy management and describe financial need.

Please submit all inquiries and applications to [info@aeetwincities.org](mailto:info@aeetwincities.org)

**Applications due April 15<sup>th</sup>**
